

XpressPak's capacity is up to 50% more without costing you a penny more.

One low fee covers everything you need:

- Container
- Adhesive Strips
- Shipping
- Recycling Charges
- Certificate of Recycling

Visit NLRlamp.com and order your XpressPak online!

NLR's XpressPAK prepaid box program is specially designed for businesses who generate a lesser quantity of lamp waste.

Just call or email and we'll send you an appropriate container for whatever type of lamps you need disposed of. Then just fill it with your bulbs, seal and have our approved shipping service pick it up.

XpressPak gives you an easy affordable way to start your universal waste recycling program. Since NLR is a direct recycler, your lamps are recycled in-house within 24-hours, not brokered!

**We just don't handle your lamps.
We Recycle Them!**

Pack. Ship. Done!

**No Brokers. No Hassles.
No Problems.**
