Continuation of Permit to Construct and Operate No. 04701160-PCO

Dear Mr. Graczyk:

The Department of Energy and Environmental Protection's, Bureau of Materials Management and Compliance Assurance Waste Engineering and Enforcement Division ("Department") acknowledges your recent request (December 10, 2025) for an update on the status of the subject permit, No. 04701160-PCO.

NLR's permit remains in effect until a final decision is rendered on the pending application for the renewal of permit no. 04701160-PCO. The application is pending and therefore, the existing permit is continued and remains valid. The Department is working towards public noticing the application approval.
